Never Present an Old Poster Again. Why recycle tired old data instead of showing your latest and greatest results? With PhD Posters, printing a new poster starts at just \$29.95.

So Very Easy. You upload your poster as PowerPoint or PDF; we ship the print to your door. PayPal keeps your credit card info safe, and the whole process takes about 5 minutes. If only research was this simple!

Save Time and Money. Spending all day printing, re-printing, cutting and pasting is no one's idea of fun. PhD Posters is a fast and inexpensive way to make your poster look great, so you can get back to your real work.

Highest Quality. PhD Posters uses the same photo-gloss paper and HP Designjet™ printers as the big boys. We may be cheap, but we don't compromise on quality.

For Researchers, By Researchers. PhD Posters is owned & operated by grad students at Duke University. We make posters ourselves, so we know what you need.

Prices as of January 2006. Designjet is a trademark of Hewlett-Packard. (1) Quoted online Dec 2005 for glossy paper. (2) Quoted online Dec 2005 for non-laminated "paper". (3) Quoted by phone Oct 2005 (9th St, Durham, NC) for glossy paper (\$12/ft² less 35% University discount). * Size not quoted; price estimated from nearest available size(s).
